STEPPING STONES DAYCARE

WELCOME TO STEPPING STONES

WHERE DO STEPPING STONES COME FROM?

After 22 years in the formal sector, Auntie Ansarick decided to pursue a dream and start her own school in 2019. As a Foundation Phase and LSEN teacher, she observed the importance of early childhood development. Her love for little people and educational background ensured that her dream grew rapidly in a successful daycare.

WHAT WE STRIVE FOR:

Stepping Stones has some core values that are very important to us:

1. Christian oriented education
2. Holistic education approach
3. Safe, loving, and secure environment
4. Exploration
5. Problem-solving
6. And most of all: **Happy hearts**

My wish for every friend in our Stepping Stones family is to come to school every day with a BIG smile. My wish is that each child develops at their unique pace and with a lot of stimulation and exposure, that each child reaches their full potential. Concrete tasks are part of our daily routine.

Lessons will be offered in Afrikaans and English to accommodate all friends.

We look forward to meeting you.
